

SPRING NEWS

Infant I

Spring is here! We will start the month off with EASTER! We will paint eggs and bunnies and make Crosses. I will have an Easter Bag for everyone, so feel free to bring little treats to share like binkies, puffs, teething biscuits, teethers, and Easter Cards to share. We would like wish everyone a Blessed Easter.

We will be doing lots of Spring painting of flowers, butterflies, grass, and trees. The babies love it and painting is a great sensory activity which includes gross and fine motor development and beginning social skills with each other. We also have lots of spring songs to sing throughout the day such as the “Itsy, Bitsy Spider”, “Old MacDonald”, and “He’s Got the Whole World in His Hands”. Singing increases language and vocabulary skills for children just as the hand motions increase motor skills.

The weather is beautiful this time of year and we will take full advantage of it with buggy rides and outside playtime. We always enjoy laying a blanket on the ground and having tummy time outside while we take in the sunshine and fresh air.

Thank you for all your donations of wipes.

Thank you for allowing us to care for your children and please Have a Blessed Easter.

Ms. Linda, Ms. Phyllis,
Ms. Maryanne, Ms. Amber
