

Hello Families!

It is hard to believe this year is coming to an end. Soon your children will begin VPK! Move Up Day is July 2. We are confident that each child has the knowledge and tools to begin the next year successfully.

# June

Summer time is here and that means lots of outside time. We'll also continue to work on our themes as well as review numbers, letters, shapes and colors. The theme for the month of June will be Dinosaurs. I believe the children will have a great time discussing the many dinosaurs that roamed our earth and we plan on many fine motor and gross motor activities such as fossil-making, sensory play, and dramatic play.

## Water Play

For the month of June, we will be having water play two times per week on Tuesdays and Fridays in the late afternoon. Please bring your child a swimsuit, towel, and water shoes to keep at school. Please remember to label each item with your child's name. If you would like your child to wear sunscreen, please apply the sunscreen at home before school begins. Please make sure the children have spare clothes at school for any accidents. The following activities are planned for our water days:

- Sprinkler Fun
- Spray bottle painting
- Sea shell, sand, and water sensory (beach sensory bin)
- Net fishing
- Pouring station

Please verbally remind us of any vacation time you will be taking this summer. Just let us know any time before you leave. Our teaching staff would like to thank you for all of the donations, gifts, and support you have given. We appreciate each and every one of you. We would also like to mention that Miss Megan will soon have her last day here at Sacred Heart. She has been an incredible asset to our classroom and we would like to wish her well with the birth of her child.

Thank you!

Miss Angie
