

# hello JULY

WHAT HAVE WE  
LEARNED  
SO FAR?

## TREASURE ADVENTURE BIBLE STUDY

We have learned about:

- King Tut and how he filled his tomb with treasure because he thought that he could take it with him in the afterlife, but that Jesus was the only real treasure we can take to heaven.
- the perseverance of cryptozoologists and their search for unknown creatures such as Big Foot and Nessie and that God wants us to have perseverance as we search for him.
- the titanic and how it took 70 years for the technology to search for the lost remains of the sunken ship, but the treasure hunters knew exactly what to look for and how we should always seek the wisdom of God like King Solomon
