

INFANTS

Where is Fall?

It has been so hot! We have been going out in the morning around 8:30 so we can do the pledge, pray and sing God Bless America. Afterwards, we go for a little walk while it's still a little breezy and come back and swing and explore outside while lying on a blanket.

We will paint a lot of fall stuff this month using fall colors. We will make trees, pumpkins and leaves. On the morning of Oct. 31st, you can dress your child in their costume. The older children of the child care center will be going from class to class to trick or treat. Please donate a bag of candy for our class to give out. (NO PEANUTS PLEASE!)

We will end the month with Families. I will be sending some homework home for you to do with your child. Please return them as soon as possible so we can hang them up. Let your child help you do it. We will be doing a lot of finger plays and begin counting 1-2-3 as we sing-stack blocks and interact through play.

Any questions, please feel free to ask.

Mrs. Linda Mrs. Maryanne
