

DECEMBER

Dear VPK2 Parents, Grandparents & Guardians,

Peace and Joy of Jesus Christ be with you all!

We are very happy to inform you that your children are trying hard to follow the class room rules, daily schedule and class room routines.

November was a very joyful, fun and exciting learning month for our children. Thanks and God's Blessings to you all for your support and generosity. We would also like to extend our thanks to Maddux's Grandfather who made a tree for us to hang our children's art and craft work. The children love it.

Our study topics for this month include *Advent, Christmas Around the world, ornaments, gifts and Christmas*. We will be learning how to prepare ourselves to welcome Jesus in to our hearts and in to our homes on Christmas Day. We will discuss the gift of Hope, Peace, Joy and Love which Jesus gives to us when we receive Him in to our hearts and in to our homes.

We will continue our learning making patterns; Math activities for building Number sense to 1-20; and Counting down the Days for Christmas from a counting Chain. They will also learn their Alphabet letters and will sound and brainstorm to find the words that begin that letter sound. We will continue to cover sight words and compound words.

We wish you all a Merry
Christmas and a very Blessed
New Year!

Sr. Elizabeth & Ms. Krystal
