

Happy Advent and Merry Christmas!!

I want to wish everyone of our families all the blessings of Christmas! I hope that the joy of the season uplifts you throughout the year. As always, I find myself very reflective of the blessings in my life this time of year.

I am thankful for the blessing of my children. I have three wonderful, grown children that are each completely unique. Each one of them are a gift from God. Each one of them fulfills a different place in my heart. Each one of them has taught me a different joy. I can not imagine my life without them in it or what life may have been had I never met them.

I am also thankful for your children. I have had the gift of being a small part of the lives of many children over the years that I have been here. I am even more blessed to be able to be a part of the lives of their children. I am grateful for that honor. Thank you all for giving me that blessing.

I pray that you give your children the best gift of all... you...!! I also pray that you receive the best gift of all ... the smiles and love from your children. Never doubt that they are a precious gift from God.

May the love and joy of Jesus be with you always.

Merry Christmas and Happy New Year.
